

Francis Barber Pupil Referral Unit

We would like to invite you to attend a Community Engagement Event to review plans for the proposed temporary school, associated with the redevelopment of Francis Barber Pupil Referral Unit [PRU]. The temporary School will be located on the field to the north of Broadwater Primary School. This public event will take place at Broadwater Primary School on Thursday 6th July, between 17:00 and 19:00hrs, and is your chance to find out more information regarding the proposed temporary school before a planning application is submitted to the London Borough of Wandsworth.

The project is part of the Department for Education (DfE) *School Rebuilding Programme*, in which Francis Barber PRU has been identified as one of the top priority schools across England in need of modernisation.

Plans have been developed in close collaboration with the school addressing specific educational needs.

The proposals include:

- Erection of a 2-storey temporary school on Broadwater Primary School's field
- Use of existing multi use games area (MUGA)
- Hard play areas introduced for pupils
- Secure bike parking facilities, no vehicle parking
- The field will be returned to it's former state once the temporary school is removed

COMMUNITY ENGAGEMENT EVENT
